

February 2022

Jamie's Run for Connecticut Children's is back for the 13th year! We anticipate getting back to attracting more than **1,000 participants supporting Connecticut Children's**. It is hard to believe we are well into our 2nd decade, and we simply could not sustain this high-level event and outstanding reputation without the support of partners like you.

Because of community support, Connecticut Children's reputation for world-class cancer care is drawing children from a larger area across Southern New England—giving even more kids a chance at life. Currently, Dr. Michael Isakoff, Clinical Director at the Center for Cancer and Blood Disorders, is expanding his program of clinical trials to offer patients with difficult-to-treat cancers more treatment options and a better chance of success. **Children in our area no longer need to travel away from home to receive the best care possible.**

Your generosity will not only help to find treatments and cures, but also help to support those families who are fighting alongside their children. Jamie's Run supports families, financially and emotionally, so they can focus their energy on being the best advocate for their children. Until there is a cure for all cancers, Jamie's Run will continue to support the Child Life staff in providing cancer patients and their families with the best care possible—all thanks to partners like you! We are **Building a Cure One Block at a Time.**

We graciously welcome your support of the **13th Annual Jamie's Run on November 6, 2022.** Your generosity will continue and expand our success! Please complete the enclosed sponsorship agreement no later than August 1, 2022. Thank you for helping make **Jamie's Run for Connecticut Children's** an amazing, continued success.

Sincerely,

Kurt & Kelly Knotts
Grateful Parents, President & Vice President – Jamie's Run Inc.

Historic Old Wethersfield

Jamie's Run for Connecticut Children's

In decades past, childhood cancer took almost every life it touched. Thanks to clinical trials research, nearly 80% of kids survive today – but for too many like Jamie – we have *MUCH* more work to do. Your support provides critical funding to research teams, giving them resources to find new, targeted and life-saving treatments, and someday a cure, for children all over southern New England.

More than 1,200 participants gather for one of the region's premier 5K and Kids K experiences. Your sponsorship will continue the growth and reach of this event, touching the lives of children and families right here where you live and work.

Jamie's Run Inc. is a 501(c)(3) Public Charity EIN 45-2676316
